Join the International Association of Color Manufacturers (IACM) at Chicago's beautiful Hotel Allegro for a first-of-its-kind conference! Our theme, "Food and Beverage Color in Today's Global Market," will offer leading experts from industry, academia, and government the opportunity to come together to share insights about the color industry and to discuss the latest developments in color safety and regulations.

International Association of Color Manufacturers

1620 I Street NW, Suite 925 • Washington, DC 20006
Phone (203) 293-5800 • Fax (202) 463-8998
